2. Term

2.1 This Agreement commences on the Effective Date and, unless terminated earlier in accordance with its terms, continues until 19 January 2027 (the "**Initial Term**"), being a period of thirty-six (36) months, as recorded in the Order Form.

2.2 This Agreement does not renew automatically. Any extension of the term must be agreed in writing and signed by both Parties.

3. The Services

3.1 The Supplier shall supply electricity and gas to all six Properties at a fixed unit price for the whole term, at the unit prices recorded in the Order Form.

3.2 The Supplier shall perform the Services with reasonable skill and care, in accordance with good industry practice, applicable law and the service levels in the Order Form.

3.3 The fixed price ends on expiry of the Initial Term. The Customer must arrange a new supply for the Properties before then, and the Supplier has no obligation to supply the Properties at the fixed price after expiry.

3.4 The Customer shall give the Supplier such access to the Properties, meter information and cooperation as the Supplier reasonably requires to perform the Services, and shall act through its authorised representatives at each Property.

3.5 Services are delivered at the individual Properties, but the Customer is the contracting Party and is responsible for the payment of the Fees and for the Properties' compliance with this Agreement.

4. Fees, Invoicing and Payment

4.1 The Customer shall pay the Fees set out in the Order Form. The annual Fees are USD 2,100,000 and the total contract value over the Initial Term is USD 6,300,000.

4.4 If the Customer disputes an invoice in good faith, it shall notify the Supplier promptly, pay the undisputed part by the due date, and the Parties shall seek to resolve the dispute promptly. 4.5 Amounts stated are exclusive of any applicable sales taxes or value added tax, which shall be payable in addition on receipt of a valid tax invoice.

5. Confidentiality

5.1 Each Party shall keep the other's Confidential Information confidential, use it only to perform or receive the benefit of this Agreement, and not disclose it except to its employees, officers, professional advisers and permitted subcontractors who need to know it and are bound by equivalent obligations.

5.2 Clause 5.1 does not apply to information that is or becomes public other than through breach, was lawfully known to the recipient beforehand, is independently developed, or must be disclosed by law, regulation or a competent authority (in which case the recipient shall, where lawful, give prior notice to the other Party).

7. Data Protection

7.1 The Parties acknowledge that the Services do not involve the processing of personal data on behalf of the Customer.

7.2 If either Party's business contact details are exchanged for the purposes of administering this Agreement, each Party processes them as an independent controller in accordance with applicable data protection law. If the Parties later agree to Services that involve processing personal data, they shall first agree appropriate data protection terms in writing.

8. Warranties

9.2 The indemnified Party shall promptly notify the Indemnifying Party of the claim, allow it to control the defence and settlement, and give reasonable assistance at the Indemnifying Party's cost. No settlement requiring admission of liability by the indemnified Party may be made without its consent, not to be unreasonably withheld.

13.6 **Severance.** If any provision is held invalid or unenforceable, the remainder continues in force.
